

The diagram illustrates a network system 100. At the top, a stack of documents 150 is connected to a group of servers 120. Each server 120 contains a component 122. Below the servers is a large cloud representing the Network/Internet 130. At the bottom, a group of clients 110 is connected to the network. Each client 110 contains a component 112. The connections between the servers 120 and the network 130, and between the clients 110 and the network 130, are labeled 116. The entire system is designated by the reference numeral 100.
